PROCESSING SOLUTIONS SUPER SPONSORSHIP

AVG. DISTRIBUTION: 22,825*

FREQUENCY: WEEKLY

Processing Solutions reaches 22,000 registered subscribers weekly with technical information for plant operations, R&D, QA/QC, packaging engineers and other specialists. Each issue contains at least one new “how-to” technical article, new products and supplier news.

Sponsor benefits include:

1. Identification in the executive summary appearing in the table of contents of Meatingplace magazine;
2. A four-color logo and 50-word message appearing in the Processing Solutions e-newsletter adjacent to the introduction of the technical article; and
3. A four-color logo and 50-word message adjacent to the full technical article online.

A Processing Solutions Super Sponsorship generate leads, click-throughs and views of your latest video (if video is employed).

Video Option Available
